DEDICATION

Freeland E. Shaffer

We, the Class of 1977, proudly dedicate our yearbook to Freeland E. Shaffer in appreciation for the outstanding service and dedication he has shown to the students and faculty of Red Lion High School.

Mr. Shaffer, who teaches Chemistry and Advanced Chemistry, began his teaching career at Red Lion in 1951, the year he graduated from Shippensburg State College. He received his Masters Degree in Chemistry from Rensselaer Polytechnic Institute in 1961, and has taken additional courses at Montana State University and at Millersville State College.

Presently the advisor of the Fly-tying and Fly-fishing Club, Mr. Shaffer also chairs the Science Department and actively participates in church activities. In past years, he advised the Electronics Club, the Photography Club, and the Chemistry Instruments Club.

Mr. Shaffer often helps students with individual experiments during study halls, activity periods, and before and after school. His enthusiasm and encouragement has been deeply appreciated by the Senior Class. Therefore, we take great pleasure in dedicating the 1977 LION to Freeland F. Shaffer.

The Cover

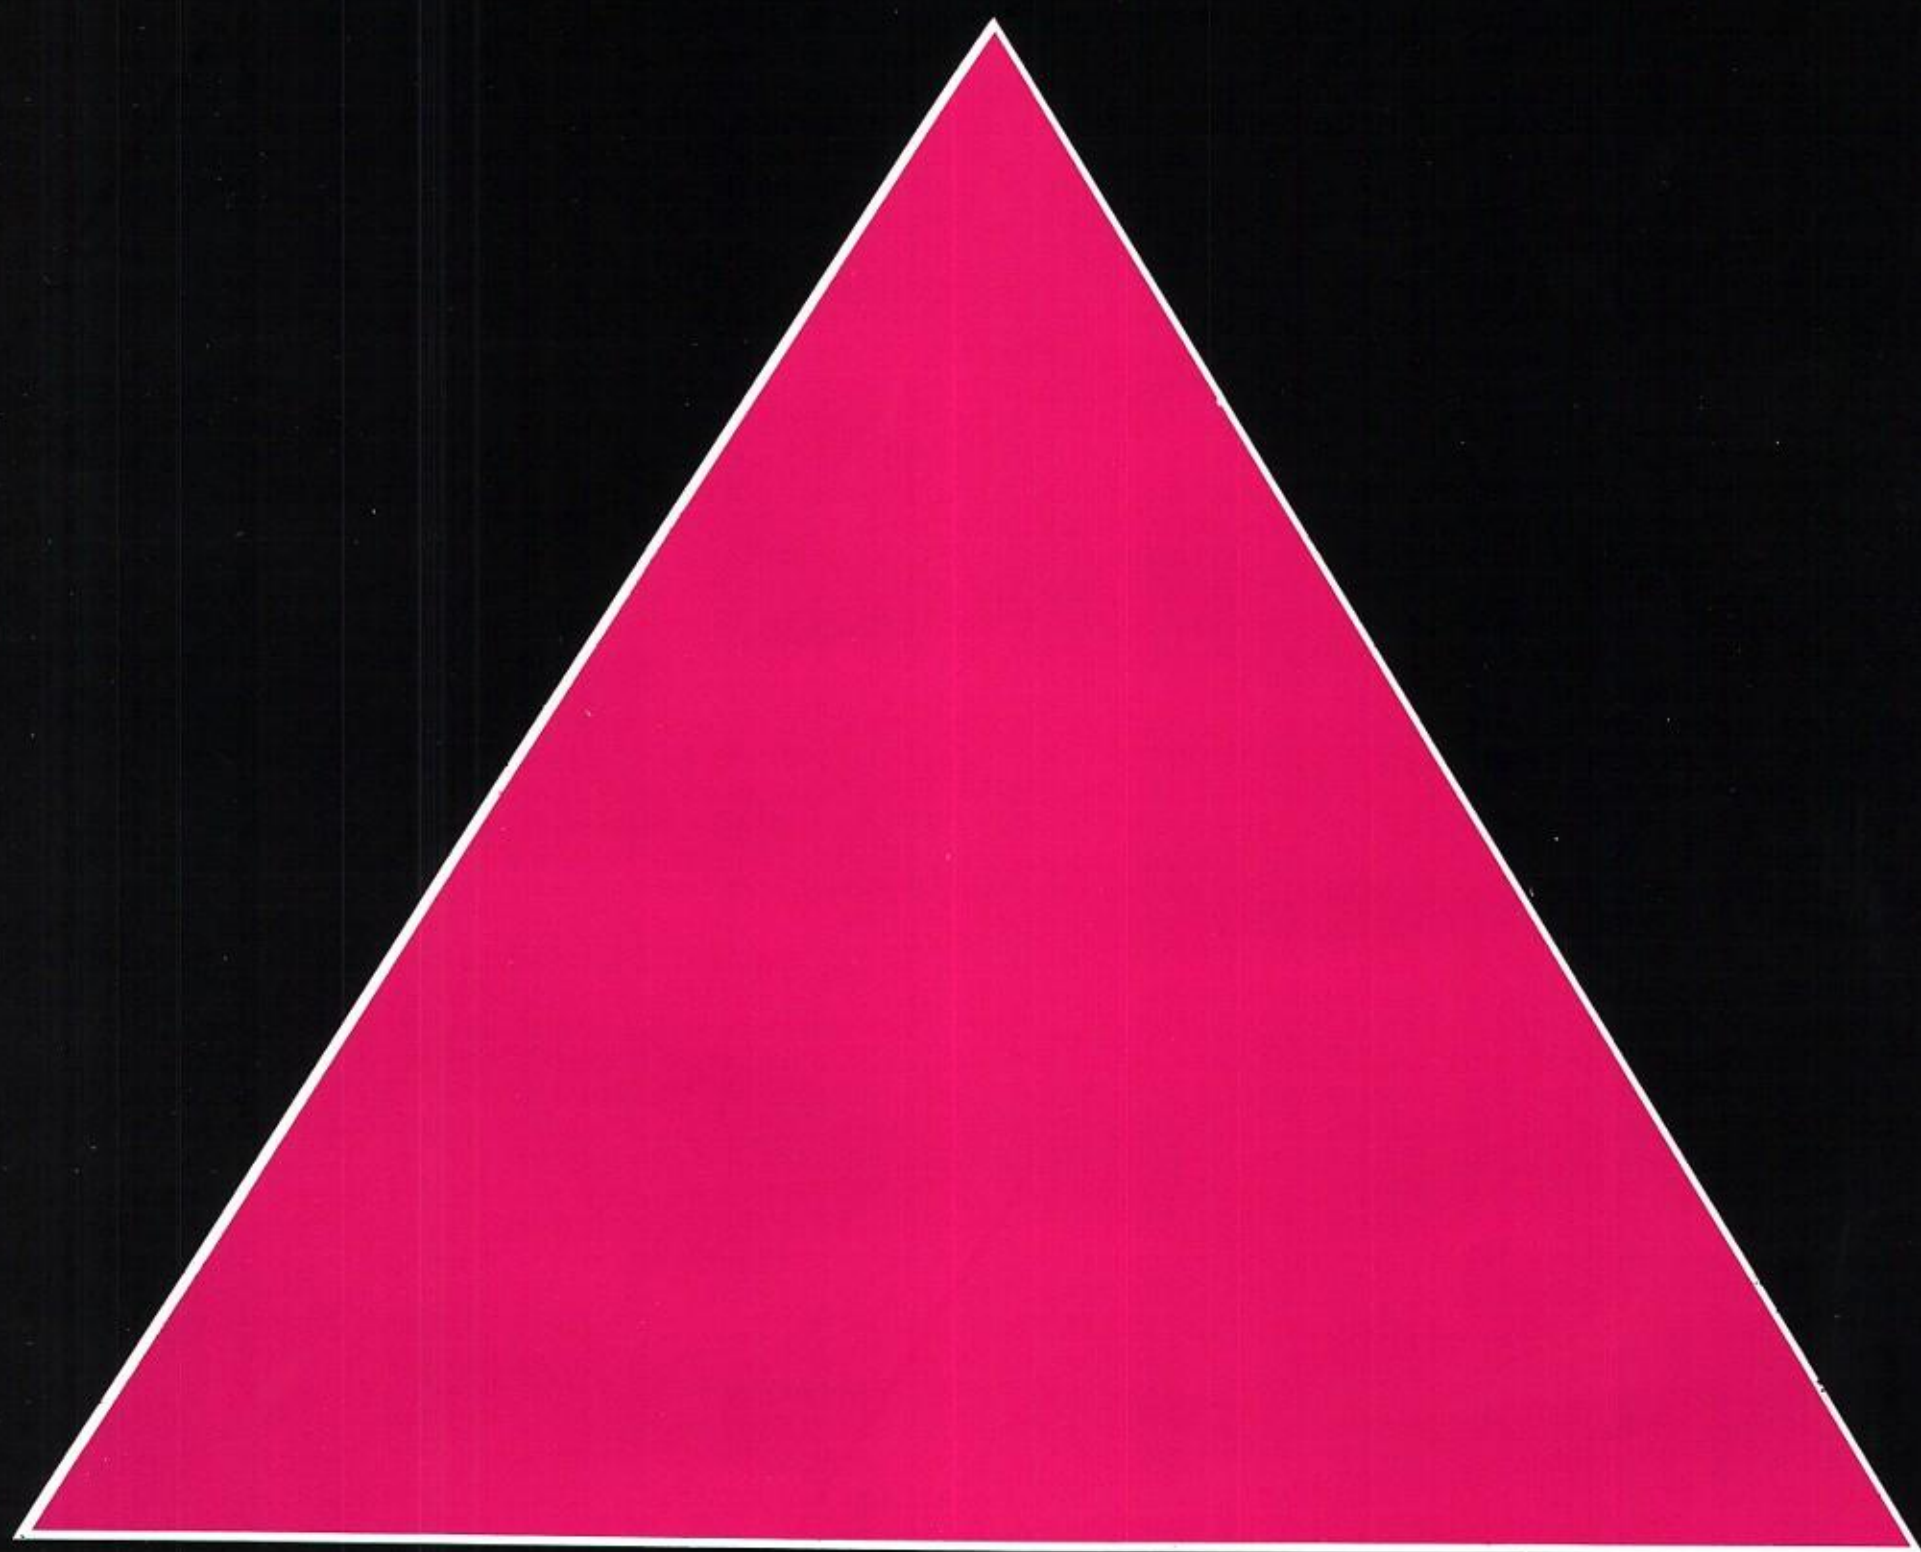

The cover design is composed of three basic shapes: a triangle, a circle, and a square. These interlocking figures form the basis for the theme of the 1977 LION.

Symbolizing authority and knowledge, the square demands respect. Although sometimes sharp and unyielding, if handled properly the square can be the basic building block to your future. Therefore, the square represents the faculty of Red Lion.

The triangle represents the students, with the seniors occupying the center and underclassmen the corners. As the underclassmen shift around the edges, the seniors occupy center stage until the triangle rotates, forcing the center out into the world and taking on a different aspect by adding the new freshmen.

The third figure in our design is the circle, a perfect sphere perfectly at peace with its surroundings. It symbolizes order. Specifically, the circle represents the organizations at Red Lion. With proper co-ordination and co-operation, a triangle and a square combine to create a circular formation rolling smoothly over difficulties and problems. Only by joining together can the triangle and the square form the symbol of unity and peace: the circle.

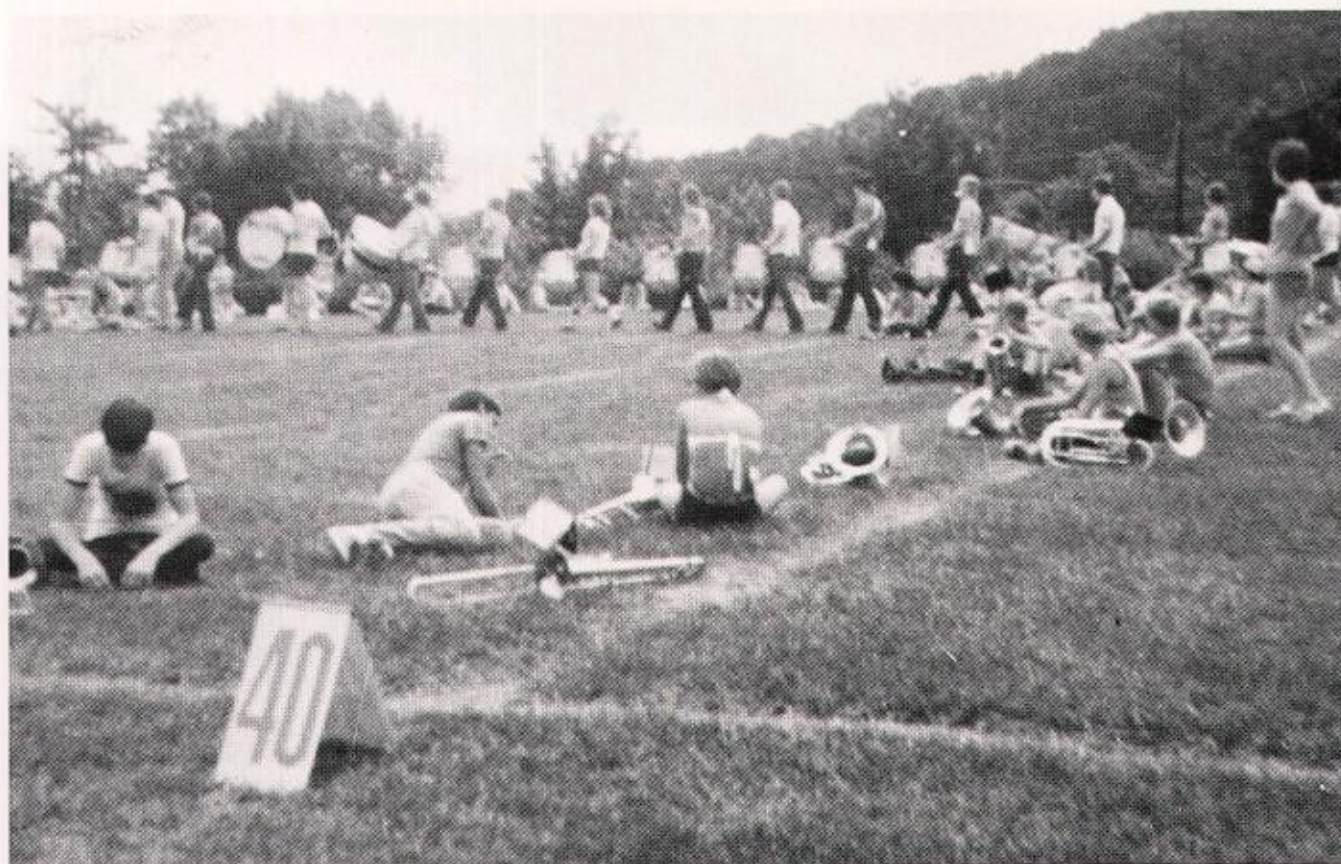

STUDENT LIFE

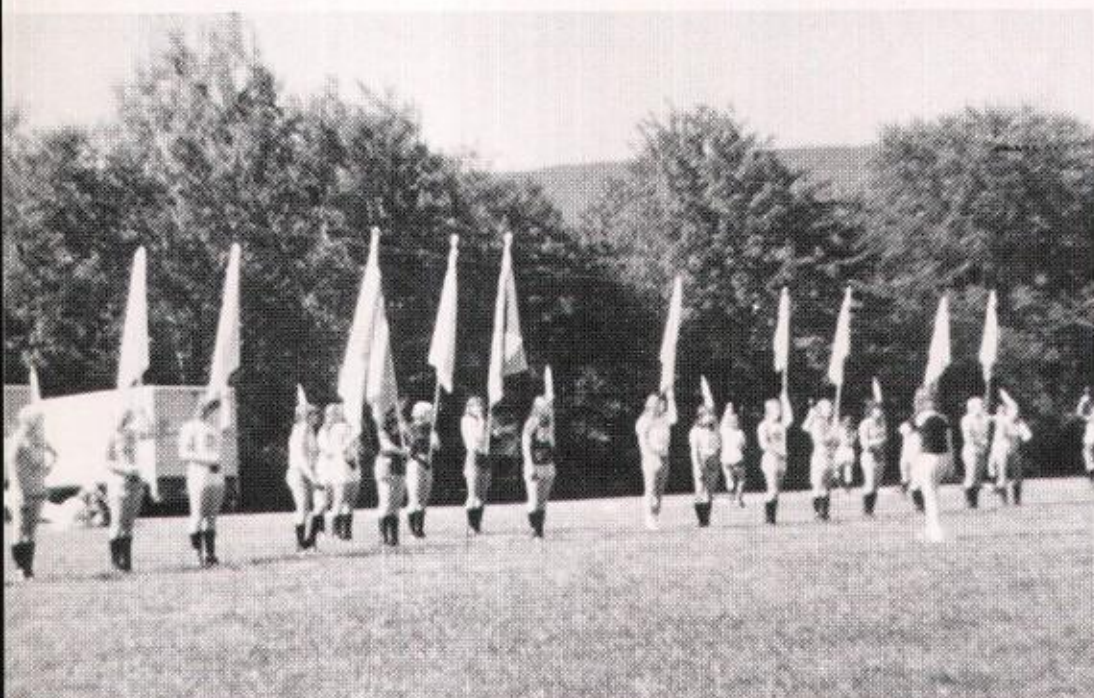

GOOD TIMES AT SUMMER CAMPS

This summer, the band and band front spent a hard week of practicing in Milroy, Pa. All their long hours in the sun paid off, for the Marching Lions are the best marching band around.

The Freshmen, J.V. and Varsity cheerleaders were also hard at work this summer at Pocono Sports Camp. The girls, as always, were spirited and peppy. For all their efforts, they received the spirit stick and were nominated for the award of excellence.

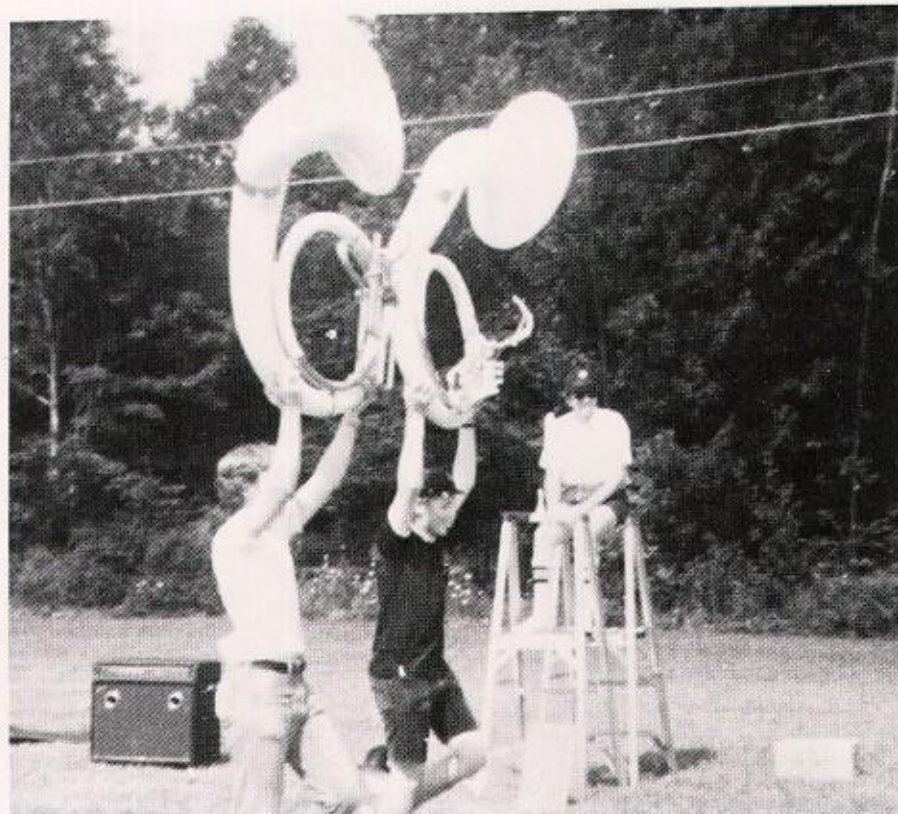

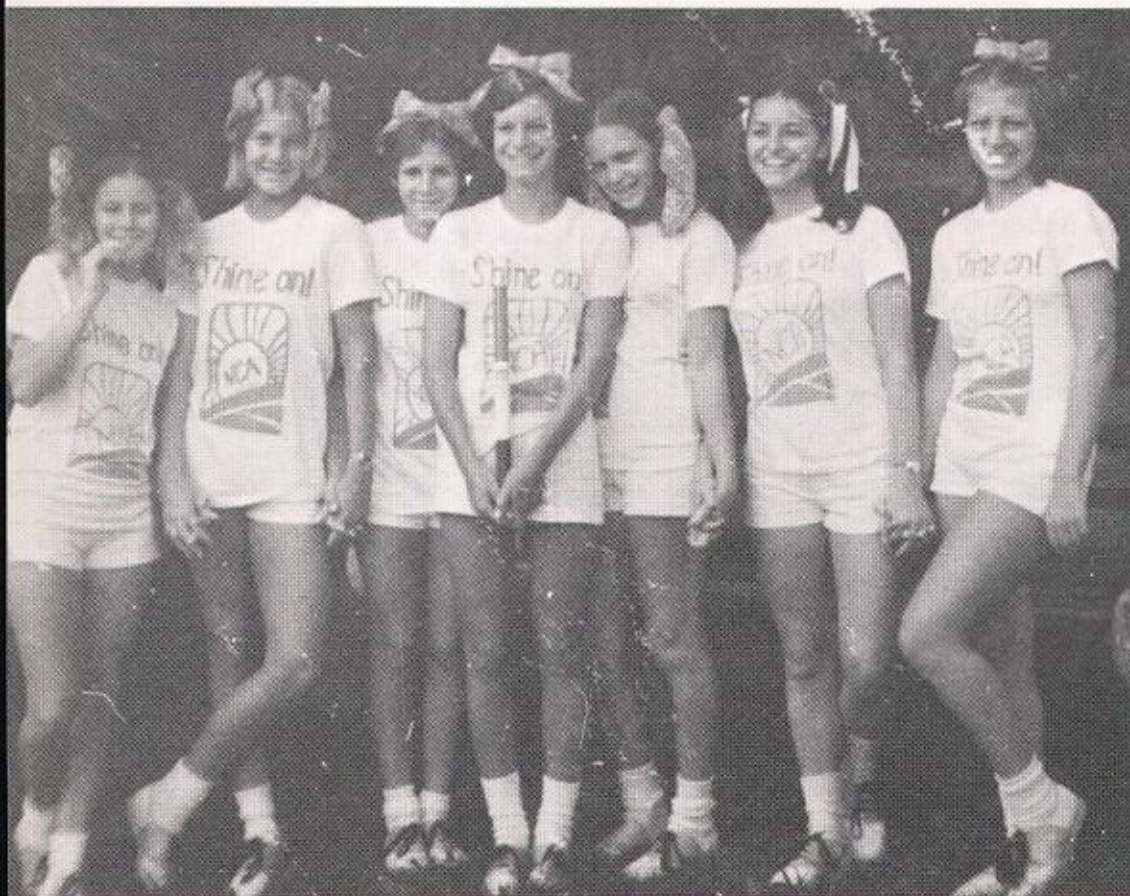

Another day of hard work at band camp.

The band front practiced many hours to learn new routines.

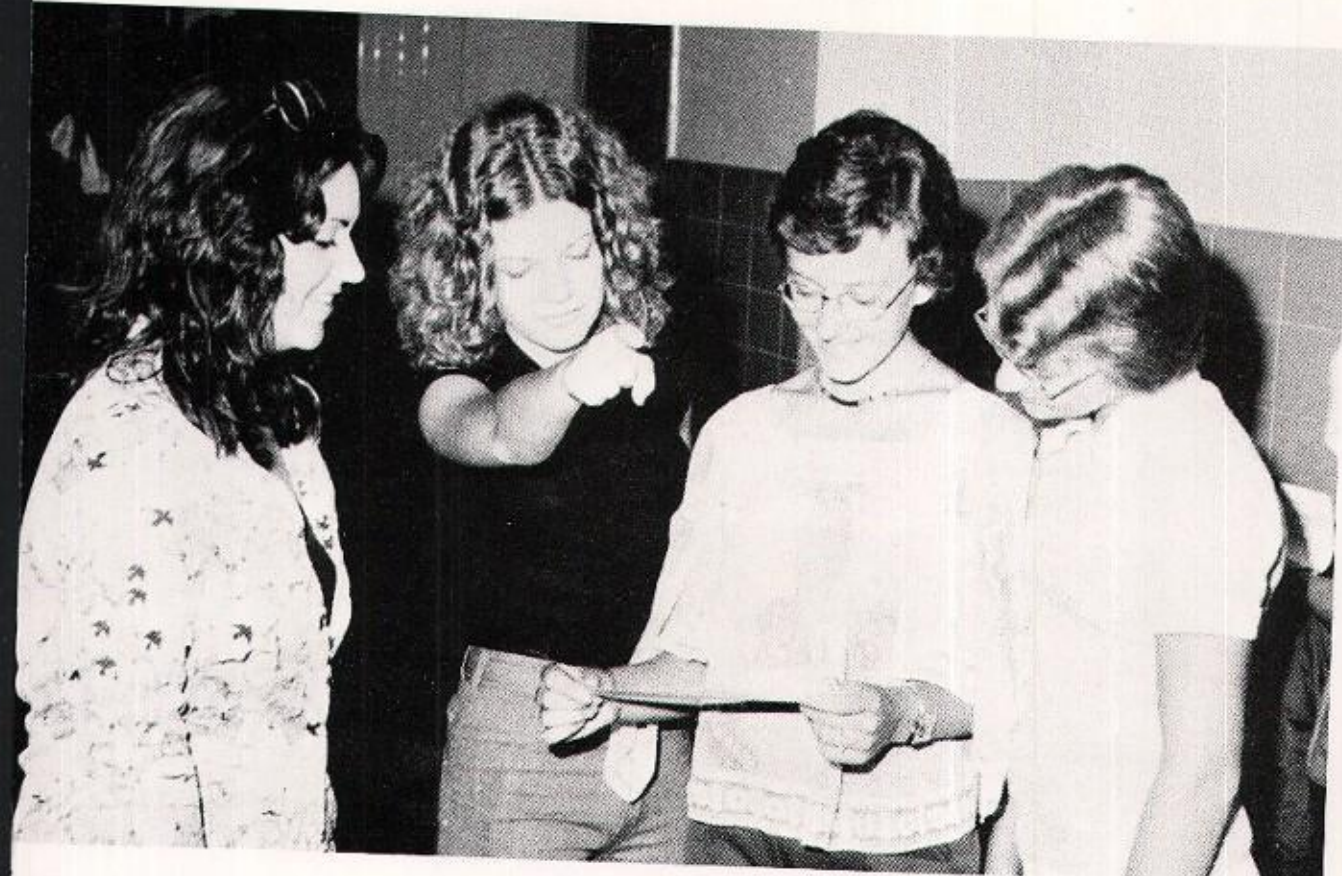

Our cheerleaders must have gotten the "best dressed" award!

How would you like to walk around holding a tuba above your head?

Red Lion Cheerleaders didn't have any trouble making friends at camp.

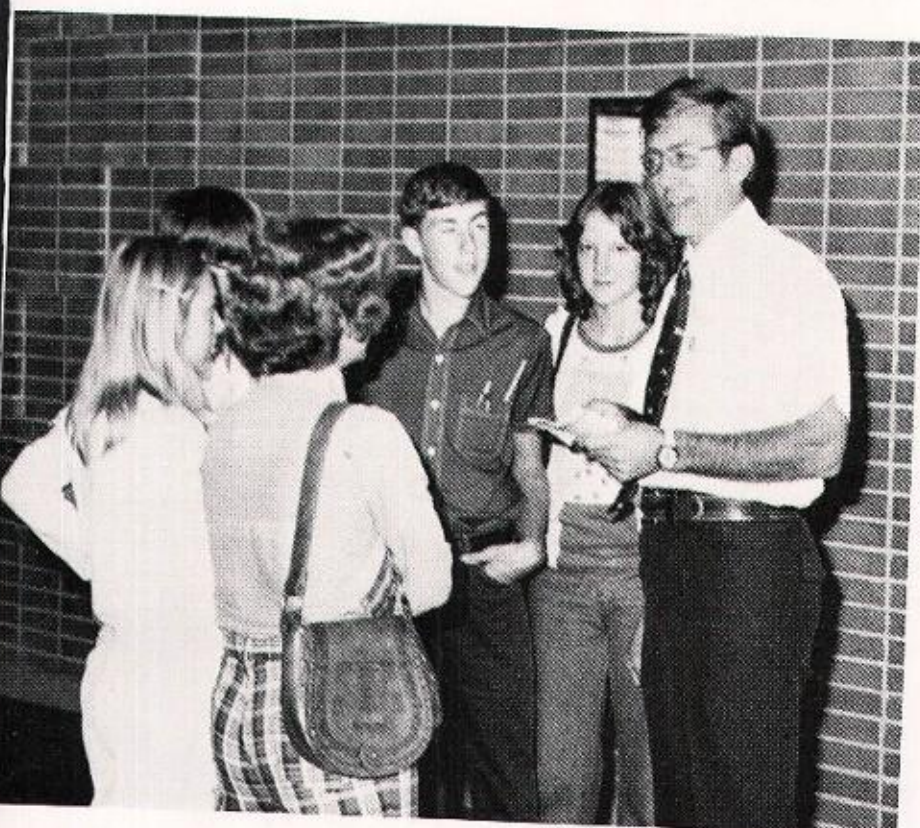

FIRST DAY DAY CONFUSION

On September 1, the 1976-77 school term began with the ringing of the 7:50 bell. A total of 473 freshmen, 412 sophomores, 342 juniors, and 315 seniors crowded the halls of Red Lion High. The class of '77 was anxious to begin its final year, the classes of '78 and '79 were just happy to be back, and the class of '80 was . . . confused.

The senior class captured second place with their float, "Pack the Panthers."

"Lions on Top" received honorable mention for the junior class.

Freshmen class president, Tim Shirey, congratulates Deb Reichard with a kiss.

Homecoming weekend included many activities. The fun began with a parade and pep rally Friday night. The Sophomores captured first place with their float. The excitement continued as Butch Wynegar crowned Debra Reichard as the 1976 Homecoming Queen.

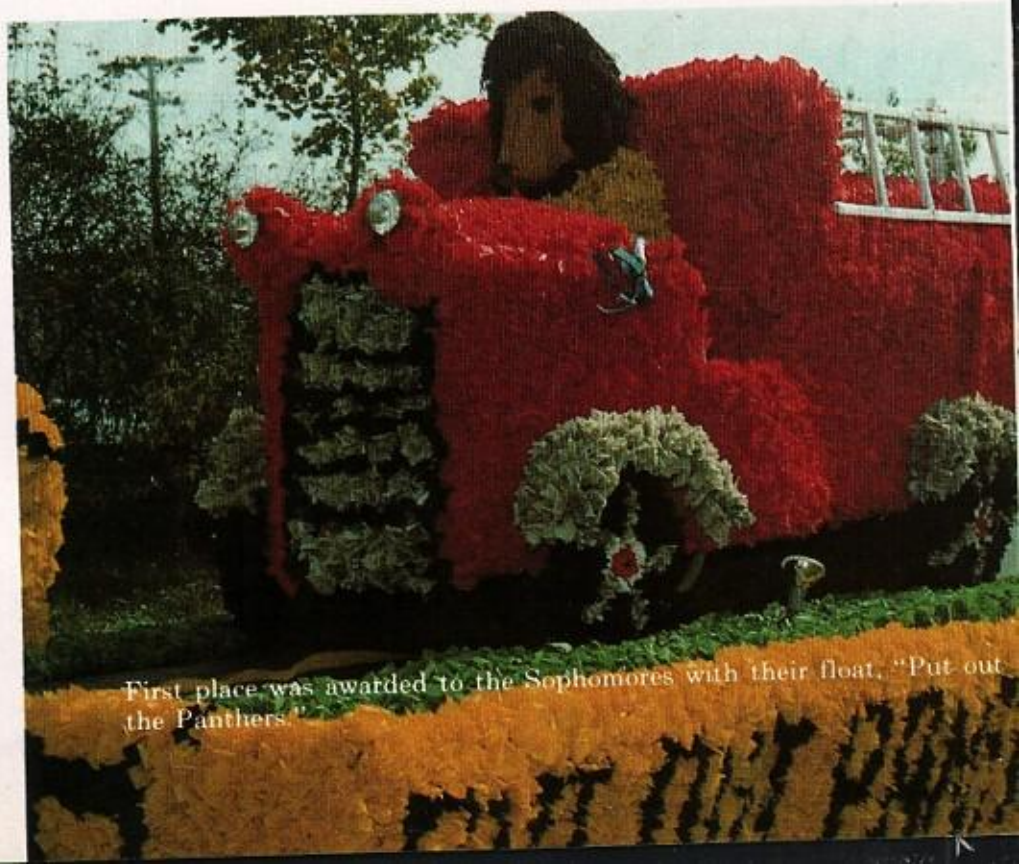

Our Mighty Lions fought a hard battle against the Central Panthers. The final event of the weekend was the dance held in the school cafeteria with the "Lamonte Trio" entertaining.

Cheerleaders are filled with enthusiasm as the team scores.

The Freshman class float theme was "Lions: King of the Jungle."

First place was awarded to the Sophomores with their float, "Put out the Panthers."

An Outstanding Student

Linda Ebaugh is a talented and ambitious senior who has earned many awards for her outstanding achievements in the 4-H program and for her fine livestock exhibitions.

In 1974, Linda won a trip to the Chicago Livestock Exhibition for her first prize demonstration on sheep that she presented to the Pa. Keystone Livestock Association. While at Chicago, she won first place in her division. Also in 1974, Linda received the Outstanding Leadership Award in York County 4-H.

The year 1975 brought Linda the Keystone Award in Agriculture and Sheep, and the Overall Outstanding Girl in York County 4-H. She also won the State Blocking and Grooming Contest in sheep at the Pa. Farm Show.

In 1976, Linda won the Pa. Keystone Award in Sheep and Achievement. Her prize was a trip to Chicago. She was named the Outstanding Youth Exhibitor at the York Interstate Fair, and was thus entitled to a trip to the North American Livestock Exposition held in Louisville, Kentucky.

Linda has worked hard in the 4-H program and has carried projects such as beef, sheep, veterinary science, child care, physical fitness, foods, clothing, vegetables, tractor, teen leadership, horse, dairy, handyman, candles, and outdoor cooking. She has been the York County Teen Agent for the last three years, a job which entails the planning of County 4-H events.

Although Linda is busy with these various activities, she finds time to study and to hold a part time job. She plans to attend Penn State to major in animal science and possibly go on to veterinary school.

LOOK OUT FOR THAT CAR

In Pennsylvania, seventeen year olds are able to get a senior license if they have passed a driving program that consists of 30 hours of classroom instruction, six hours of practice driving, and six hours of driving observation.

At Red Lion, students are required to take a semester of Safety Education, which meets the classroom requirements, and are given the option of taking Driver's Education for a semester to meet the driving and observation requirements.

Mr. Johnson and Mr. Thomas teach Driver's Ed. on a full-time basis, while Mr. Bieda, Mr. Hall, and Mr. Sinibaldi teach it only

part time. Together, these men supervise about 20,000 miles of driving per year.

Over the past years there have been no major accidents, although a few comical incidents have arisen such as the time Mr. Hall ran off the road and into a ditch and a tractor had to be employed to pull the car back on the road. Also, in an incident occurring only five miles from school, Mr. Bieda and the two students he was instructing ran out of gas. Mr. Johnson had to rescue them.

Mr. Thomas says "as a rule, our students are safe drivers when with us. I hope they are safe when they are on their own."

Students Tour Europe With Mrs. Fox

The summer of 1976 was an exciting season for some students from Red Lion who participated in a trip to Europe. Supervised by Mrs. Fox, the group left New York in a 747 jet bound for London. Their experiences here included touring Westminster Abby, the London Tower, and looking at Big Ben. Entertainment included a musical called "Billy."

Next step—Paris. The students gained much knowledge by touring the Louvre museum, Eiffel Tower and the Arch de Triomphe.

Germany proved to be an interesting country for the students. A cruise down the Rhine enabled them to view the countryside of castles, villages and vineyards. When in Munich, they were able to see the Olympic grounds, an Impressionistic Art Gallery, and several palaces.

The students got a real taste of native life when they arrived in Steinach, Austria because they lived

with native families. While visiting this country, they were able to see a folk concert, a Tyrolean dance show and actually did some mountain climbing in the Alpines.

The last country they visited before heading home was Italy. They toured Venice, Florence, Piza, and Rome. Some of the Roman sights they saw were the Colosseum, Palantine Hill, Catacombs, the Circus Maximus, and Vatican City.

One month after departure, the students landed back in the U.S., perhaps a little weary, a bit less wealthy but certainly more enlightened on European ways.

Students from Red Lion who toured Europe were: Kathy Walker, Sharon Ehrhart, Cheryl Young, Laurie Poet, Regina McPherson, Tammy Weiler, Pam Trone, Lynn Saylor, Alicia Winter, Peggy Keller, Kathy McMurphy, Marci Ryer, Cary Gordon, and Steve Amspacker.

A NEW APPROACH TO SWIMMING CLASSES

Don't be surprised if you walk into the swimming pool area and see students learning to snorkle. This is all part of the new swimming program started this year.

Instead of just the "deep-end" and "shallow-end" classes, instructors Mr. Robert Clark and Mrs. Peggy Neff have started two new classes.

The Pre-lifesaving class provides an introduction to the Red-Cross Lifesaving course. Among the skills

learned are distance swimming, rescue approaches, carries and tows of conscious, semi-conscious, and struggling victims, lifts of unconscious persons onto the deck of the pool and artificial respiration.

The second new class is Water Sports and Games, which provides experienced swimmers a period of fun and learning. In addition to learning five basic strokes, students participate in water polo, water

basketball, diving, skin diving, boating, and other relays and games.

These classes are eligible only to students who are able to swim. They enable students to use previously learned skills for their own enjoyment and pleasure.

Since most students will be eligible for the two new classes new year, they should be even more successful than they were this year.

THE LION

South Of The Border

On July 4, 1976, 17 students accompanied by Miss Mary Thoman, left Harrisburg International Airport for a ten day tour of Mexico. They visited the Shrine of Guadalupe, the Plaza of Three Cultures, the National Cathedral, the Pyramids, and other major attractions in and near Mexico City.

The group traveled to Taxco, "the Silver Capital of the World"; then to Acapulco for a day of tropical sun!

They returned to Mexico City and toured the Floating Gardens, University City, and Telvca Indian Market. On July 10, they passed through customs and returned home.

The students from RLASHS were Val Dunn, Jane Epiey, Kim Frey, Amy Shaffer, Cecilia Grace, Marlene Gutierrez, Carol Thomas, Teresa Cottrell, Penny Smith, Kathy Runkle, Crystal Chronister, Karen Hare, Vicki Wagner, Scott Burk, John Doll, Brian Leiphart, and Gavin Markey.

FUTURE FARMERS OF AMERICA EXCEL

Members of the Future Farmers of America dedicate much of their time and labor to interesting projects and activities which bring them both prizes and self-satisfaction. They participate in various conventions and competitions that are held on a state or national basis.

This summer, one Red Lion member out of every eight participated in a state-wide convention held at Penn State. In the course of three days, they took part in many farm related contests, athletic events, and concluded their stay with a tour of the campus. Our members fared well, winning many medals, awards, and trips.

Not long after the convention our FFA'ers were back in school and off to the York Fair, where, again, they did well.

Tom Arnold received first place in the corn judging contest. Becky Aults won first place in Livestock Judging with her steer. In the swine sale and show, Leon Crowl received the highest bid of \$1.25 per pound, rather than the regular price of \$.38 per pound.

Brenda Walter was the first Red

Lion member to win both the Beef-fitting and Showmanship contest. Patti Greek and Barb Kilgore won the dairy showmanship and dairy-fitting, respectively.

In the sheep contest, Red Lion also did well by winning all of the awards. During the remainder of the year, the FFA members busied themselves with various projects and events. An example was a Land Judging contest in which four Red Lion students entered. Dan Young, Bab DeHoff, Ken Fake, and Sue Herbst placed first through fourth, respectively, in the contest. These students prepared for this event by working with soil after school and by studying many books on the subject of land and soil.

Through hard work and dedication, three members have received recognition for their achievements, leadership, community involvement, and knowledge. David M. Miller was voted the South-Central Legion vice-president for the 1976-77 school term. Leon Crowl and Leonard Greek received the Keystone Degree, and award given to only 2½ percent of the state FFA members.

It comes as no surprise to any of you that we were given an unscheduled vacation during January. Governor Shapp closed all schools in Pennsylvania due to the extreme cold weather during that month. The measure was taken to save fuel.

All of us were affected by the frigid temperatures. In an effort to conserve fuel, President Carter requested that all thermostats be set back to 65° f. because in some parts of the country there was fear of running out of natural gas. Red Lion School District felt the effects of the emergency gas situation and the senior high, which normally runs on natural gas, was converted to oil.

Two elementary schools, Gable and Moore, were closed 5 days longer than the other schools in the district, requiring students from these schools to be bussed to other elementary schools for half-day sessions.

The high school did its best to help out. If you had occasion to get

THE ENERGY CRUNCH

into the pool, you probably noticed it was a little bit cooler than usual. Students and teachers wore coats to classes, kindergarten sessions were held in A217, and finally athletic events were re-scheduled so that the thermostats could be turned down at night.

According to the National Weather Bureau, the record low for January was -3 F., the average temperature was 20 F., and we received 12.2 inches of snow.

We'll feel the effects of the weather until June, for Dr. Grissinger is concerned that the students receive a full 180 days of education.

Ping-Pong Champ

A popular sport at Red Lion is ping-pong. Ever since two ping-pong tables were placed in the Student Commons, ping-pong balls are constantly flying and crowds are waiting for their turn at the tables. Many students have their own ping-pong paddle that conveniently fits in their back pocket. Therefore, it is a common sight to see paddles sticking out of the students' back pockets as they travel through the halls.

Although there are many fine players, only one, Corey Grove, is the "champ of all times." Corey has won the school tournament for the last two years and was a finalist in the York County Doubles Contest for which he received a trophy. He practices at home and at a club in Lancaster and has participated in tournaments that were held in places such as Philadelphia, Lancaster, Reading, and Chambersburg.

Belly Dancing Can Be Fun

Since September of 1974, Regina McPherson has been studying the art of belly dancing. She takes lessons from a local citizen.

The hour-long classes begin with warm-ups, then isolation exercises and stretches. New steps are taught and practiced, and finally they are combined with old skills to create by studying many books on the subject of land and soil.

Regina is one of the youngest members of the class, as the others are 30 and over.

Shop students work diligently on their project.

The Junior Class presented "Up the Down Staircase" by Bel Kaufman on December 3 and 4. The play commenced with Miss Sylvia Barrett (Lori Smith) coming to Clavin Coolidge High School in New York City as a new teacher. She is initiated by her homeroom students and the many forms she had to hand out or complete. She has many problems with the students and tries hard to help each one of them. She was almost ready to give up and leave when she realized that she was needed. The play was directed by Miss Barbara Buffington and student directors; Jane Epley and Helen Crawford.

SENIORS

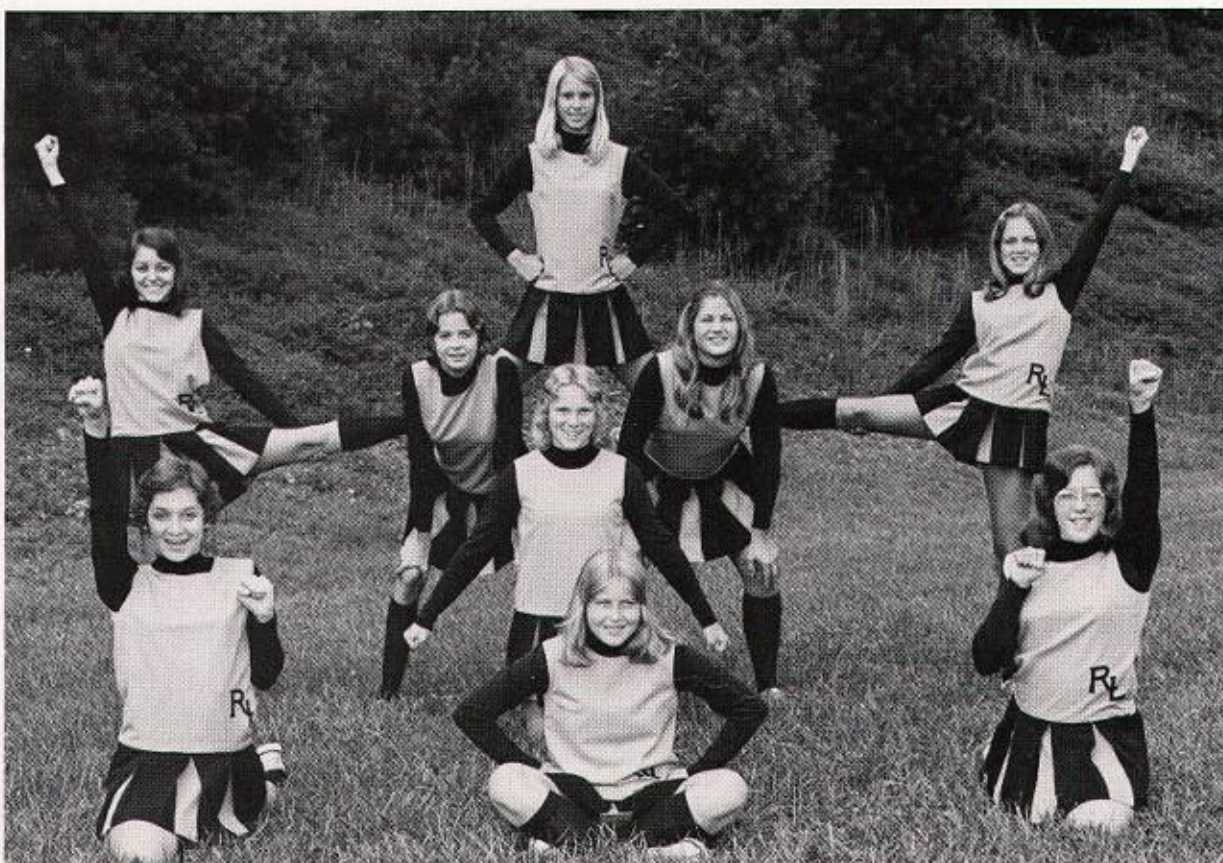

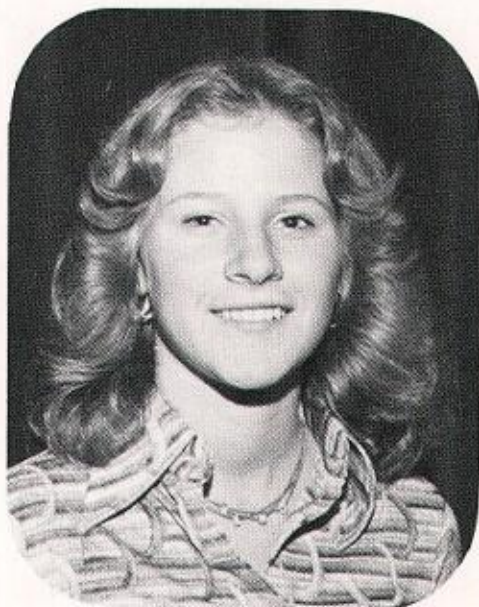

MELINDA SUE RUPP

The class of '77 would like to pay tribute to Mindy Rupp, who, due to an unfortunate auto accident last May, 1976 is unable to graduate this year. Mindy was previously involved in cheerleading, the National Honor Society, and was on the LEONID staff. She also was involved in many other school-related activities such as helping with the class floats and working on the publicity committee for the junior class play. Last spring Mindy was Who's Who Among American High School Students. Mindy plans to go back to school next year to resume her studies so that she can graduate. Mindy has overcome many obstacles since the spring of 1976 and the senior class wishes her the best in all her future endeavors.

A SPECIAL TRIBUTE

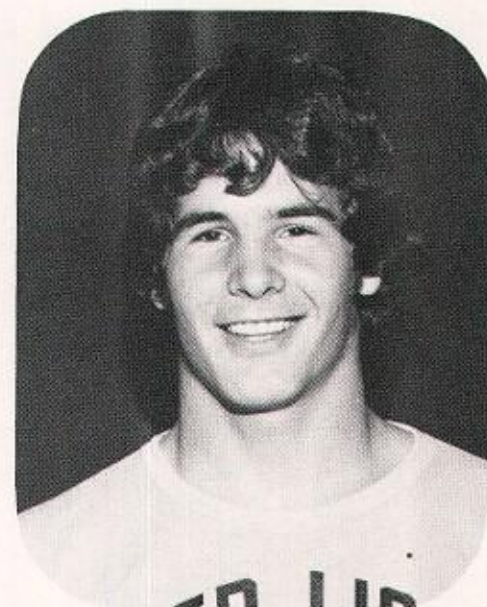

God has given me this day to do as I will.
I can waste it or use it for good.
What I do today is very important.
Because I am trading a day of my life for it.
When tomorrow comes this day will be gone forever.
Leaving behind something I've traded for it.
I want it to be a gain not a loss . . .
Good not evil . . .
Success not failure . . .
In order that I should never forget the price I paid for it.

Crossing the Bar

Sunset and evening star,
and one clear call for me!
And may there be
no moaning of the bar,
When I put out to sea.

For though from out
our bourne of Time and Place
The flood may bear me far
I hope to see my Pilot
face to face
When I have crossed the bar.

LOOKING BACK

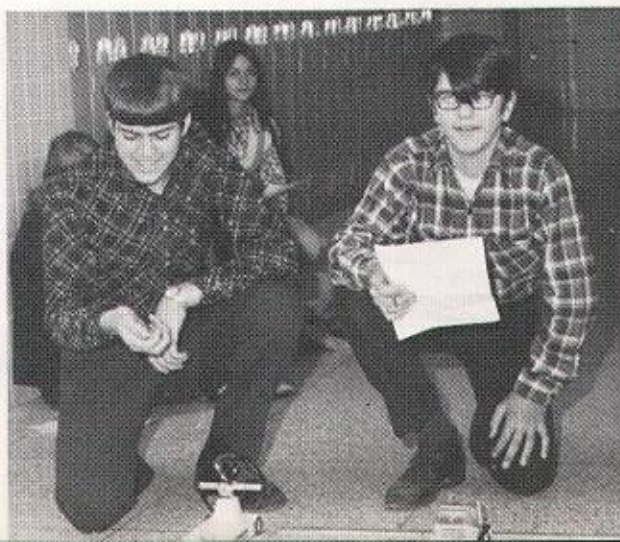

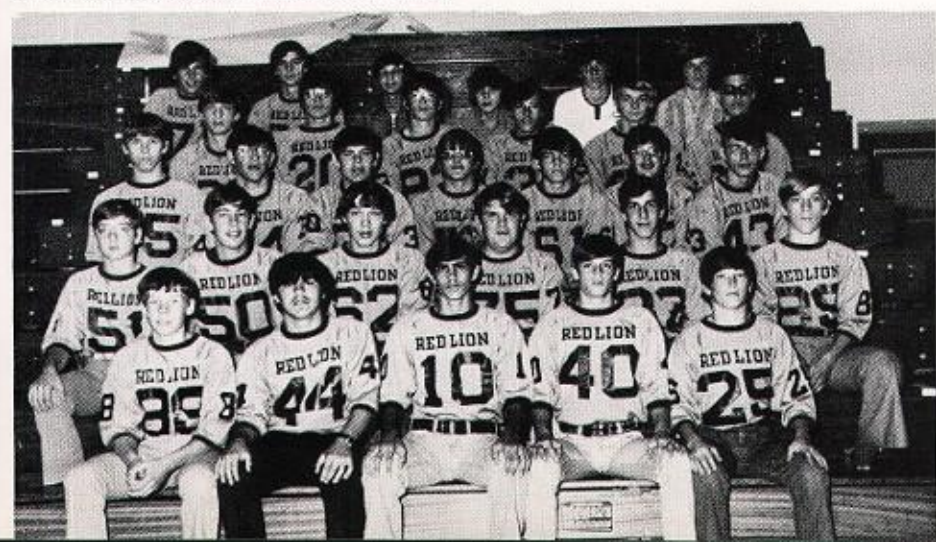

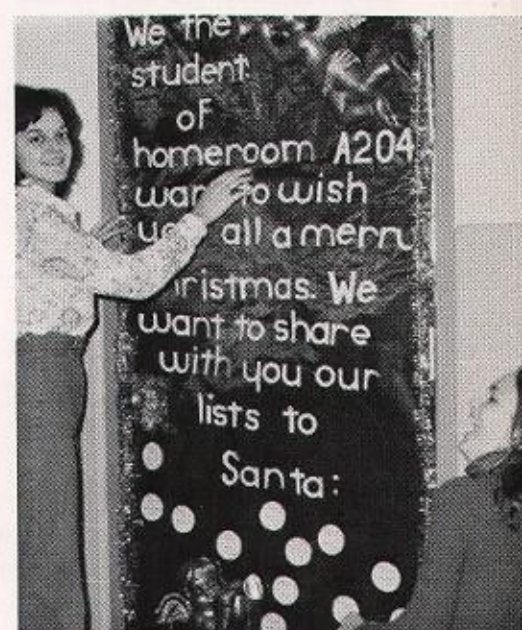

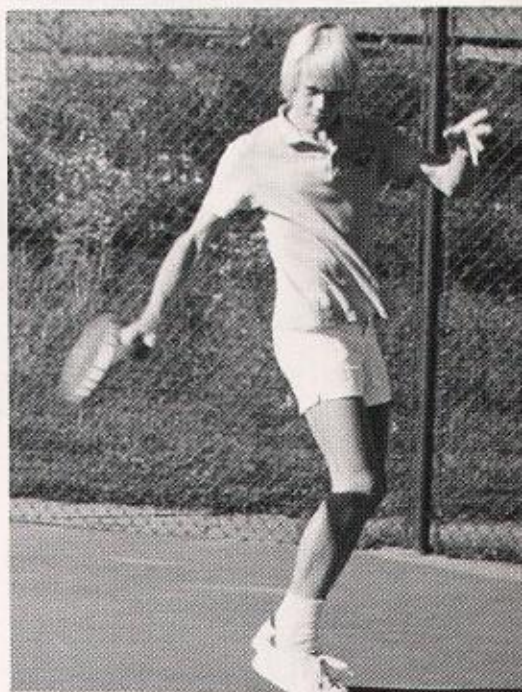

Looking back on our four years in Red Lion High School, we the class of '77 have many happy memories to cherish in future years. Over the last four years, we have grown in many ways as we prepared our graduation.

Timid and inexperienced, we entered the new and endless halls of the Senior High in the fall of 1973 under the leadership of John Rauma (president), Rodney Hake (vice-president), Sheila Brady (secretary), and Nancy Warner (treasurer). As Freshmen, our first big event was Homecoming and the building of our first float "SPIRIT" for which we received honorable mention, despite the fact that the clutch burned out of the truck which pulled it, forcing us to push it through the streets. Also included in the Homecoming festivities were the Friday night parade and pep rally, the crowning of Sue Gross as Homecoming Queen, and the Homecoming Game in which Red Lion beat Susquehannock 57-0. Our first year was full of new experiences, such as 50 minute class periods, pep assemblies, and swimming classes. Some of these we enjoyed, others we didn't. In the Spring of the year, "Sound of Music" was performed and then June arrived, bringing the school year to a close.

We returned in the fall as spirited Sophomores, guided by Sarah Challenger (president), Rozzi Applebaum (vice-president), Rhonda Heindel (secretary), and Kathy Falvey (treasurer). Again we received honorable mention for our float "Chop 'em Up!" Leslie Olewiler was crowned Queen and the Lions "rolled over Dover" with a score of 55-21. As Sophomores, we sat through Health and Safety Ed. classes, won the spirit stick several times, and took part in the musical "South Pacific."

In the fall of '75, we returned to school and found that the lobby doors had been painted six different colors, the periods were only 47 minutes long, we had three lunch shifts instead of two, and we were now able to go to the Student Commons during study halls. Co-Ed. gym classes were introduced and we were able to choose our gym courses from a variety of activities, provided of course that we took swimming. For the third year in a row, we received honorable mention for our float "Gotcha in the Lion's Jaws" Homecoming Day saw Karen Flinchbaugh crowned as Queen and the Lions conquered the Vo-Tech Spartans 52-25. In November, we presented our own class play "Pillow Talk" under the direction of Gloria Jean Nickol and in the spring took part in the musical "Brigadoon." Our Junior year ended with the Junior-Senior Prom "The Times of Your Life" held at Wisehaven. Music was provided by "Sounds Unlimited."

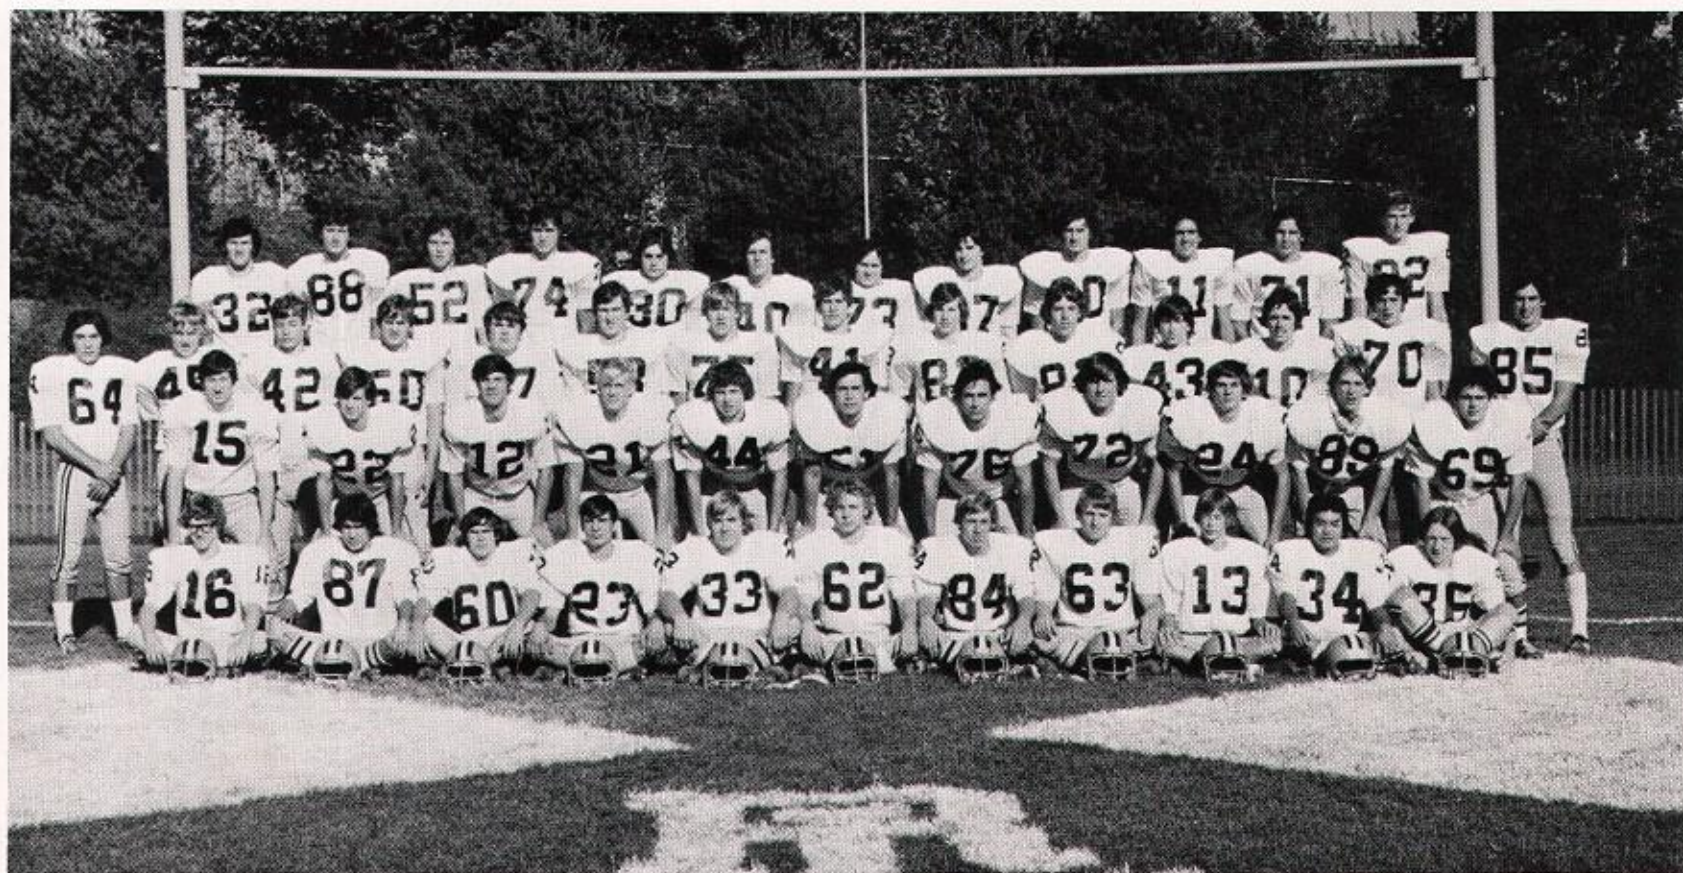

The Class of '77 finished its school years under senior officers Sandy Thomas (president), John Rauma (vice-president), Lori Keller (secretary), and Sandy Grove (treasurer). As Seniors, we placed second in the float contest with our entry "Pack the Panthers," and on October 16, 1976, Deb Reichard was crowned Homecoming Queen. Red Lion lost a close battle to Central with a score of 3-6. Entertainment on Homecoming night was provided by "The LaMott Trio." Since it was decided that we would not have a musical this year, the Senior Class presented the play version of "Annie Get Your Gun" under the direction of Barbara Buffington. We closed our last year with the Cinderella Ball in which the girl asks the guy, the Junior-Senior Prom, Class Day, Baccalaureate, and the long awaited Commencement.

SPORTS

LIONS ROAR TO A WINNING SEASON

This year was the LION'S 18th straight winning season. Not since 1958 have the LIONS lost more than they have won. Mark Miller and Greg Hileman were voted to the All-League team due to their outstanding defensive feats. Mark was also the premiere punter in the county and according to Coach Dyke, Mark's toe was a factor in many Lion wins!

The Red Lion cheerleaders are a group of spirited young women who support the athletic teams with cheers, assemblies, spirit ideas and dedication. These girls are not called on just to cheer for the teams, but to serve the school by putting together the student handbook, addressing and stuffing envelopes for the Booster Clubs, decorating the gym, and escorting speakers on Career Day.

The football squads were chosen in late May. Preparations were then made for attending the National Cheerleading Assoc. summer clinic at the Pocono Sports Camp. Here the girls spent five days learning new cheers, pompom routines and stunts. When not in class-type instruction, the girls were exchanging ideas and improving newly learned skills.

This year's football squads worked together during the summer months to purchase warm up suits, hats, and gloves and to finance the spirit ideas for team members.

The field Hockey team has done a commendable job this year, according to Coach Boyer. They spent many long hours practicing their skills and conditioning to end the season with a winning record of 8-6. Coach Boyer commented, "It was great working with such a dedicated, spirited, competitive group of fine female athletes."

According to Coach Sinibaldi, this year was a year of exploration for the young wrestling team, because although the team wasn't outstanding when measured by its win-loss record, it ranked high when measured by success. Coach Sinibaldi feels confident that Red Lion's wrestling program looks bright as many of our wrestlers will be returning next year.

Coach Thomas said that although the team's win-loss record wasn't outstanding, the J.V. Lions improved tremendously. The boys tried very hard and made great improvements in their techniques. He stated that one of the biggest problems that the team suffered was an automatic forfeit of 18 pts. because three weight classes were unfilled. He ended his comments by saying that if the boys keep up the good work, many of them will take a spot on next year's varsity team.

BOYS SWIM TO A 6-1 SEASON

The 1976-77 Boys Swim Team compiled a 6-1 YCIAA league record and a 6-4 overall record. The team was led by junior co-capt. Dan Falvey, who had an outstanding year. Joe Rauma also had an outstanding season in which he set a new school record in the 100 yd. backstroke. Rick Poff, another top performer, scored heavily as the Sea Lions' #1 diver, while co-capt. John Rauma, top senior performer, was the team's top butterflyer. Jeff Dunn, Chuck Wallace, Dave Harrington, and Lee Snyder were also top performers throughout the season.

Representing the boy's team in district competitions were Dan Falvey, Rick Falvey, Rick Poff and Dave Harrington.

This year's season was shortened because of the energy crisis and as a result five dual meets were never swum. Coach Clark feels that many of the team's goals were not accomplished due to this shortening of time.

Cindy Brinegar

This year the Girls' Basketball team posted their first winning season with a record of 8-7. The key games this season were the Spring Grove upset early in the season in which a last second, 15 ft. jump shot gave the Lions a victory, the one point victory over Southwestern, and the Kennard Dale game which clinched the winning season. Coaches Ellen Farrell and Donald Walker comment on the season by saying, "We had many close games—some we won, some we lost; but our sense of accomplishment lies in the fact that this year we completed and battled with all of the tougher teams in the league."
